Yearbooks

- 238 *Natal Almanac and Yearly Register*, 1863—1905. Pmb., P. Davis. (Entitled *Natal Almanac, Directory and Yearly Register* from 1871. The main sections consulted were postal directories, lists of officers in government departments and various bodies and organizations, and advertisements. The issues for 1882, 1884, 1888 and 1895 are most often quoted for postal addresses and occupations, as these are the numbers of this now rare publication to which constant access has been possible. Addresses and occupations as given in directories have to be treated with caution for they sometimes tend to be out of date. As far as possible these have been checked against other sources.)
- 239 *Port Natal Almanac*, 1851, 1852. Durban, Cullingworth. (Consulted mainly for its advertisements.)
- 240 *South African Who's Who, 1908, 1910, 1923—4*. Johannesburg. (Useful mainly for the second generation.)
